On a Company-wide basis, new student enrollments were down 16% year-over-year, primarily as a result of three factors.

## Liquidity and Capital Resources

### Debt

For a detailed description of debt, see “Note 6. Debt” to the consolidated financial statements included in “Item 1. Consolidated Financial Statements.”

### Cash flow information

A summary of the Company's cash flows is as follows:

	Nine Months Ended January 31,	
	2022	2021
Net cash (used in) provided by		
Operating activities	\$ (7,719,760)	\$ (5,275,719)
Investing activities	(3,734,670)	(2,909,088)
Financing activities	5,191,034	3,660,492
Net decrease in cash	<u>\$ (6,263,396)</u>	<u>\$ (4,524,315)</u>

### Net Cash Used in Operating Activities

Net cash used in operating activities for the nine months ended January 31, 2022 includes adjustments to net loss consisting primarily of depreciation and amortization expense of \$2,480,179, stock-based compensation of \$1,965,567, bad debt expense of \$1,050,000, tenant improvement allowances received from landlords of \$816,591, amortization of deferred financing costs of \$49,107, warrant based cost of \$43,708 and debt issue costs of \$18,056, partially offset by lease benefits of \$96,450. The decrease in cash from changes in working capital primarily consists of increases in gross accounts receivable (both short and long term accounts receivable, before allowance for doubtful accounts) of \$6,412,590, prepaid expenses of \$297,797 and a decrease in deferred revenue of \$642,233, partially offset by increases in accrued expenses of \$38,353, accounts payable of \$340,168 and due to students of \$482,032. The increase in accounts receivable is primarily attributed to the growth in students paying through the monthly payment plan as well as timing of billings for class starts. Prepaid expenses increased due to the annual insurance renewal in the first quarter of the Fiscal Year 2022. The decrease in deferred revenue is due primarily to timing of billings for class starts in our pre-licensure program. Accrued expenses increased due primarily to accrual of approximately \$300,000 for the estimate of the 2013 through 2021 tax year foreign income tax liability and an increase in accrued marketing due to timing of marketing payments. The increases in accounts payable and due to students are primarily due to timing of payments.

The Company expects working capital and long-term student accounts receivable to trend higher over time as more students utilize our monthly payment plan. Additionally, there may be working capital volatility from quarter to quarter, especially regarding the timing of financial aid payments and student course starts that impact deferred revenue and accounts receivable balances. Offsetting the trend toward higher working capital and long-term student accounts receivable will be a trend toward improved adjusted EBITDA as we continue to grow our high LTV programs. We believe the adjusted EBITDA growth will result in positive operating cash flow in the next 2-3 years. We are actively seeking additional long-term financing arrangements to provide funds to continue the expansion of our high LTV programs. See Financing Arrangements discussed below.

Net cash used in operations for the nine months ended January 31, 2021 includes adjustments to net loss consisting primarily of stock-based compensation of \$3,019,828, bad debt expense of \$1,702,000, amortization of debt discounts of \$1,550,854, and depreciation and amortization expense of \$1,552,254. The decrease in cash from changes in working capital primarily consists of increases in gross accounts receivable (both short and long term accounts receivable, before allowance for doubtful accounts) of \$6,493,238 and other current assets of \$1,205,083, partially offset by an increase in deferred revenue of \$1,887,377 and accrued expenses of \$1,756,102. The increase in accounts receivable is primarily due to timing of payments.

The Company anticipates that it will need to make capital and other expenditures in connection with the development and expansion of its campus operations and the implementation of new on-line programs. The Company's Fiscal year 2022 capital expenditures will be between approximately \$4 million and \$5 million, a decrease from Fiscal Year 2021 capital expenditures primarily due to campus costs for the opening of one new campus in the current year compared to two campuses in the prior year.

## PART II. OTHER INFORMATION

### ITEM 1. LEGAL PROCEEDINGS

From time-to-time, we may be involved in litigation relating to claims arising out of our operations in the normal course of business. Other than the previously disclosed receipt of payment of \$498,120 as a final distribution by the bankruptcy trustee in HEMG bankruptcy proceedings, during the period covered by this report, there were no material changes to the description of legal proceedings set forth in our Annual Report on Form 10-K for the fiscal year ended April 30, 2021.

### ITEM 1A. RISK FACTORS

The information presented below updates, and should be read in conjunction with, the risk factors and information disclosed in our Annual Report on Form 10-K for the fiscal year ended April 30, 2021.

**If we are unable to satisfy the probation terms following the execution of a mutually acceptable consent agreement with the Arizona Board of Nursing, our future results of operations could be materially and adversely affected.**

Our largest subsidiary, Aspen University Inc., is based in Phoenix, Arizona. Approximately 12% of its enrollments are students in its BSN Pre-Licensure nursing programs at two campus locations in Phoenix. On January 28, 2022, Aspen University voluntarily agreed to cease enrollments in the pre-nursing and core nursing programs at its Arizona Pre-licensure campuses effective immediately related to an investigation by the Arizona Board of Nursing resulting from student complaints, unacceptable NCLEX first-time pass rates in CY'2021, among other issues. Aspen University will continue the suspension of enrollments in the pre-nursing and core nursing programs at its Arizona Pre-licensure campuses at least until it has successfully negotiated a consent agreement with the Arizona Board of Nursing which will outline the terms of the impending probation. Once the probation period begins and until the probation period ends, should Aspen University not successfully satisfy the probation terms, future results of operations could be materially and adversely affected.

Aspen University has also entered into a Stipulated Agreement with the Arizona State Board for Private Postsecondary Education which includes a requirement to post a letter of credit or surety bond for \$18.3 million within 45 days (approximately April 21 ).

**Because of the Russian invasion of Ukraine, the effect on the capital markets and the economy is uncertain, and we may have to deal with a recessionary economy and economic uncertainty including possible adverse effects upon our business.**

As a result of the Russian invasion of Ukraine, certain events are beginning to effect the global and United States economy including increased inflation, substantial increases in the prices of oil and gas, large Western companies ceasing to do business in Russia and uncertain capital markets with declines in leading market indexes. The duration of this war and its impact are at best uncertain and continuation may result in Internet access issues if Russia, for example, began illicit cyber activities. Ultimately the economy may turn into a recession with uncertain and potentially severe impacts upon public companies and us. We cannot predict how this will affect our business but the impact may be adverse.

(e) In case any event shall occur as to which the other provisions of this Section 5 are not strictly applicable but the failure to make any adjustment would not fairly protect the conversion rights represented by this Note in accordance with the essential intent and principles hereof, then, in each such case, the Maker shall effect such adjustment, on a basis consistent with the essential intent and principles established in this Section 4, as may be necessary to preserve, without dilution, the conversion rights represented by this Note.

(f) Upon the occurrence of each adjustment pursuant to this Section 5, the Maker, at its own sole expense, shall promptly compute such adjustment in accordance with the terms of this Note and prepare a certificate setting forth such adjustment, including a statement of the adjusted Conversion Price and adjusted number or type of Common Stock or other securities issuable upon conversion of this Note (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Maker shall promptly deliver a copy of each such certificate to the Payee and to the Maker's Transfer Agent.

6. **Mandatory Conversion.** If at any time after the Effective Date, (i) the closing price of the Common Stock of Maker on an Eligible Market has equaled or exceeds \$2.00 per share (as equitably adjusted for forward or reverse splits, combinations or Fundamental Transactions) for thirty (30) consecutive Trading Days (the "**Mandatory Conversion Measuring Period**"), and (ii) no Equity Conditions Failure has occurred, then, subject to the Beneficial Ownership Limitations, all of the Conversion Amount then remaining under this Note shall be converted into fully paid, validly issued and nonassessable shares of Common Stock in accordance with Section 4 hereof at the Conversion Rate as of the Mandatory Conversion Date (as defined below) (a "**Mandatory Conversion**"). In the event that an Investor sells or otherwise transfers any of such Investor's Registrable Securities, each transferee shall be allocated a pro rata portion of the then remaining number of Registrable Securities included in such Registration Statement for such transferor. (a) The Company shall promptly prepare and file with the SEC a Registration Statement with respect to the Registrable Securities and use its commercially reasonable efforts to cause such Registration Statement relating to the Registrable Securities to become effective as soon as practicable after such filing (but in no event later than the Effectiveness Deadline). The Company shall keep each Registration Statement effective pursuant to Rule 415 at all times until the earlier of: (i) the date as of which the Investors may sell all of the Registrable Securities covered by such Registration Statement without restriction or limitation pursuant to Rule 144 and without the requirement to be in compliance with Rule 144(c)(1) (or any successor thereto) promulgated under the 1933 Act, or (ii) the date on which the Investors shall have sold all of the Registrable Securities covered by such Registration Statement (the “**Registration Period**”). contribution contained in Section 2.6 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of such Investor, which consent shall not be unreasonably withheld or delayed; *provided, further*, that the Investor shall be liable under this Section 2.5(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 6.1.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 2.5 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 2.5, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses of not more than one counsel for all such Indemnified Person or Indemnified Party to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the Indemnified Person or Indemnified Party, as applicable, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. In the case of an Indemnified Person, legal counsel referred to in the immediately preceding sentence shall be selected by the Investors holding at least a majority in interest of the Registrable Securities included in the Registration Statement to which the Claim relates. The Indemnified Party or Indemnified Person shall reasonably cooperate with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such Claim or litigation and such settlement shall not include any admission as to fault on the part of the Indemnified Party. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 2.5, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.
